## PRESIDENTS TROPHY (AWARDED TO A DEDICATED CLUBMAN)

Junior Johnson & Quintin Greacan

### WOY WOY ROOSTERS 2014

Another Season has come and gone for the Woy Woy Roosters and while no Premierships were forthcoming our efforts on the field ensured that the Clubs 87<sup>th</sup> Season can only be considered a success.

The First Grade and under 19's teams both made the semi finals however were both eliminated the first week while our reserve grade and open age teams did not make the semi finals however were competitive through the majority of the season.

**The Under 19's** were this Season Sponsored by Betty Donovan from LJ Hooker Woy Woy.

The highlight of the year was undoubtedly the round 21 victory at Woy Woy oval where the junior Roosters not only defeated the 1<sup>st</sup> place Erina Eagles but they did so with first 11 and then ultimately 12 players in a match they had to win to make the semi finals.

It was a fitting farewell to Woy Woy oval to see the boys show so much fight and passion when all the odds were stacked against them.

Unfortunately the season ended the following week in the first semi final when the boys let a second half lead slip to ultimately go down 24-22 to Terrigal at Umina Oval.

The Roosters finished the season in 5<sup>th</sup> place however this season did see players Jeremy Gowe, Brenny Edwards & TJ Mclean and Kay Kissick all make their first grade debuts in what is an extremely positive look towards the future.

**The Sea Spray valuations and fine jewellery Open Age** were Coached this year by Clint Israel who came back for some more punishment and brought along with him his good mate and Roosters legend Dane Budd for his debut in the coaching ranks.

It was a very up and down year for the open age who ultimately finished with 7 wins and 12 losses and in 10<sup>th</sup> place on the ladder.

The highlight for the boys would have to be the 20-0 win over a strong Berkeley Vale team at Woy Woy oval.

The team consisted largely this year of long serving Roosters players including Dane Budd, Clint Isreal, Andrew Taylor, Scott Drewe, Sean Stevenson and Brett Mcgrath. Several of these players have decided to end their playing days at the conclusion of the 2014 season.

The **CAMPBELLS HOME TIMBER & HARDWARE** Reserve Grade had a very trying season and certainly felt the brunt of the clubs mid season departures and heavy injury toll.

Roosters legend John Baxter stepped in to fill a void and coach the team this year and his anxiety levels were certainly tested at times as the team was sometimes seen warming up with 10 or 12 players before a game. It's a great testament to Backo and the regulars in the team that they were willing to sacrifice players for first grade or the benefit of other grades and were still able to field a competitive team on most occasions.

The team finished the year with a very respectable 9 wins, 8 losses and 1 draw to earn 7<sup>th</sup> spot on the competition ladder which once again was a very good result for the trouble they overcame throughout the year.

After a slow start they managed 4 wins in a row through the middle of the year to put themselves in contention for a semi final spot before running out of troops late in the year.

There were many significant changes to the **Lance Clarke Amcal Pharmacy first grade** squad in 2014 with last year seeing the retirement of several long standing players which would signal a changing of the guard for the new season.

Exciting new signings this year included Blayne Davis, Alex Lash, Ethan Fullick, big Will and TJ Mclean who all made major contributions through out the year.

In even better news for the future as previously mentioned current under 19's players TJ and Jeremy Gow were main stays of the first grade team this year while Brenny Edwards and Jay Kissick also made their debuts.

Once again after a slow start to the year The Roosters were the form team in the second half of the season going on to win 8 out of 9 games in a blistering run which culminated in a strong final round performance to clinch what had seemed an unlikely semi final berth against the Erina Eagles.

In round one of the semi finals the Roosters found themselves without several key players against a very talented Wyong Roos team. The young Roosters were strong and led for large portions of the game before eventually bowing out to eventual premiers Wyong by 4 points.

I think everyone would agree that our First Grade side this year did our Club proud in 2014 with several younger players stepping up to the plate which holds us in good stead for the 2015 season.

In closing, a sincere thank you to all the fantastic Sponsors who got behind our Club in 2014. Along with our long list of Player Sponsors, thank you to our 2014 Sponsors;
